PROFESSIONAL SUMMARY

Journalism graduate with hands-on experience as a beat reporter, podcast executive producer, and live sports broadcast producer. Skilled in fast-turnaround writing, audio/video production, and audience-facing content across print, audio, and live formats.

EDUCATION

Brigham Young University – B.A. in Communications (Journalism & Sports Media)

Aug 2021 – Apr 2026 | Provo, UT

EXPERIENCE

Sisterly Chaos Podcast – Host & Executive Producer

Nov 2025 – Present | Ogden, UT

- Own full production pipeline for a weekly podcast — concept development, scripting, recording, editing, and publishing.
- Edit multi-track audio to professional broadcast standards using Adobe Audition, ensuring consistent pacing and sound quality episode over episode.
- Drive content strategy using listener retention and engagement analytics, directly shaping episode format and topics.
- Manage social media content calendar end-to-end to grow audience reach.

Deseret News – Comment Moderation Intern

Jan 2026 – Apr 2026 | Salt Lake City, UT

- Applied editorial standards at scale across a high-traffic news platform, balancing free expression with community guidelines.
- Identified and elevated high-quality reader contributions to shape constructive public discourse.

Universe Live Sports – Executive Producer

Jan 2026 – Apr 2026 | Provo, UT

- Led live production of collegiate sports broadcasts from pre-production through live execution — full ownership of a live, no-second-take production environment.
- Directed real-time graphics, scripting, and technical cues during live broadcast, ensuring on-air quality under time pressure.
- Managed on-air talent and technical crews through live, high-stakes deadlines — cross-functional leadership under pressure.

The Daily Universe – Sports Journalist

Aug 2023 – Jan 2026 | Provo, UT

- Served as a beat reporter for four sports (volleyball, softball, basketball, golf) — independently managed a full reporting beat, not just assigned stories.
- Delivered 12-15 published articles per semester on tight deadlines, spanning breaking news and long-form feature writing.
- Built source relationships through athlete/coach interviews to develop original, source-driven narratives.
- Collaborated with editors to refine story structure and angle — comfortable taking and applying feedback.
